Barry W. Fick, Executive Director
Minnesota Higher Education Facilities Authority
380 Jackson St, #450
St Paul, MN 55101

Dear Barry,

Please consider my application for Member, Minnesota Higher Education Facilities Authority (MHEFA). I am well qualified to be a member of the Authority, as I have a great knowledge in municipal finance and a knowledge of the Authority. I retired from Wells Fargo Bank in April 2018 after 15 years as a Corporate Trust Administrator. During that time, I was assigned as trustee for the portfolio of MHEFA bonds that Wells Fargo administered, as well as other issuers. I have a thorough understanding of the various parties involved in the financing transactions. I traded municipal bonds at Dain Rauscher prior to my time at Wells Fargo, including MHEFA bonds. In addition, I attended one of the state's higher education facilities as a grad student, the University of St. Thomas. I am community minded and would love to pay back the community as a member of the Authority. I have a passion to learn and increase my skills, and to share my knowledge. This is a wonderful and exciting opportunity and I would love to be part of it!

My application includes my resume. If you would like to meet with me some time, my phone number and email are both included. The best time to reach me is in the morning, but you can leave a voice message at any time, and I will return your call. Thank you for taking the time to consider my application. I look forward to talking with you.

Yours truly,

Bonnie Anderson Rons
