Office of Governor Mark Dayton
75 Rev. Dr. Martin Luther King Jr. Blvd., Room 130
St. Paul, MN 55155

Dear Governor Dayton,

I am enthusiastically writing with regard to your upcoming appointment of a Community and Technical College student advocate to the Minnesota State Board of Trustees. Through my internship with LeadMN (College Students Connecting for Change) I became aware of the opportunity and was encouraged to apply. I am excited at the opportunity to advocate on behalf of my fellow students on the Minnesota State Board of Trustees.

With the opportunity to serve on the Board of Trustees I bring a passion for Higher Education and hands-on experience advocating for Community and Technical College students. My internship with LeadMN has afforded me the chance to attend leadership conferences, lobby at the state legislature, and gain develop a deep sense of issues and concerns impacting Minnesota's two-year college students. As a first-generation college student I understand first-hand the challenges students face when pursuing Higher Education I would love nothing more than to make college more attainable.

Skills I would bring to the Board of Trustees include the ability to debate complex issues, break down conversations to their most salient points, and act as a bridge to a unique and diverse student-body. I am an efficient and experienced researcher, a great communicator and possess the empathy necessary to be the voice of 1800,000 two-year students. These skills will allow me to advocate for affordable and realistic solutions to the problems that students face everyday.

Thank you for your time and consideration. I am available for interviews anyday during the summer. I can be reached (763)-639-0223 or via email at ashlyn@leadmn.org. Again, thank you for this opportunity and I hope to hear from your office soon.

Respectfully,

Ashlyn Anderson
