To all interested parties,

I am applying to the MN Plumbing Board seeking reappointment to the position I have filled since 2012. I currently serve the role of Metro Commercial/Industrial Journeyman Plumber and I wish to continue in that capacity. I believe I have brought good participation and input to the Plumbing Board and feel I am very studious regarding the MN Plumbing Code. I have been helpful issuing opinions and even final interpretations. I consider it important work serving on the Board and I would like to continue assisting and offering my knowledge and expertise to the effort of strong and well-developed construction codes in the State of Minnesota. Thank you.

Sincerely,

Grant Edwards
