APPLICANT INDEX

I am especially proud of the Indian Lake Conservation Area, developed as a mitigation bank for County road expansion projects during my tenure as Blue Earth County Engineer. Indian Lake was awarded the FHWA Environmental Excellence Award. Another example of a noteworthy conservation project was acquisition and demolition of three houses in imminent danger of falling into the Blue Earth River due to bank erosion. These projects were a partnership effort of Blue Earth County, MnDNR, FEMA, NRCS and the individual landowners.

I have recently retired as Blue Earth County Engineer and am anxious to continue my public service by serving on the Minnesota Environmental Quality Board.

My candidacy for a position on the BWSR Board of Directors was endorsed by the following legislators and public officials. I am confident they would endorse my candidacy for this position also:

Sen. Julie Rosen

Rep. Tony Cornish

Sen. Kathy Sheran

Rep. Clark Johnson

Sen. Elect Nick Frentz

Rep. Jack Considine

Blue Earth County Commissioner Will Purvis

Medo Township Officer Sandy Hooker

Please feel free to contact these officials for further information on my candidacy.

Thank you for your consideration of my application for this position. If you have any questions or would like to discuss, please call or e-mail me at:

Re: Appointment Recommendation to BWSR Board

Dear Governor Dayton,

I am writing to indicate my support for Al Forsberg's application to serve on the Board of Water and Soil Resources. Al served as a county engineer for Blue Earth County in greater Minnesota for many years. Al was a leader within the Minnesota County Engineers Association and spearheaded their effort with MNDOT and the state environmental agencies to streamline their environmental permitting process. Progress has been made in that regard but much remains to be done. Consequently, I can think of nobody better than Al to bring to the BWSR board the perspective of somebody who has dealt with the enforcement of wetland regulations in the real world. Al is also a passionate conservationist having administered and expanded Blue Earth County parks and being a regular user of parks and trails in his free time.

Please give serious consideration to appointing Al Forsberg's to the BWSR board.

Sincerely,

Keith Carlson  
Executive Director  
Minnesota Inter-County Association
