RE: Position of Journey Worker for the State Board of Electricity

Dear Governor Dayton,

My name is Peter Lindahl. I became interested in the open Board seat of the Journey Worker Electrician after hearing of the opening at a Board meeting. I attend most quarterly meetings and believe I am quite qualified to fill the vacancy.

I have been a licensed electrician in Minnesota since 1992. I graduated from the MPLS JATC in May of 1992 after completing a 4 year apprenticeship and prior to that a 2 year electrical program at Dunwoody Institute. I have approximately 22 years of work in the field as an apprentice, journeyman and foreman. I also have over 7 years working in the electrical industry from the office viewpoint working with employers and their field crews.

Thank you for taking the time to review my request and for any consideration. I believe I will bring value to the Board and I look forward in hearing back from you. If you have any questions, please contact me at your convenience at 952-913-0798.

Sincerely,

Peter R Lindahl

The Honorable Mark Dayton
Governor of Minnesota
116 Veterans Service Building
20 W 12th Street
St. Paul, MN 55155

November 18, 2016

Dear Governor Dayton,

I would like to give my unqualified recommendation for Mr. Peter Lindahl to be appointed to the Minnesota Board of Electricity.

I have known Pete professionally for over 25 years having worked alongside him at Parsons Electric and through association with him while I have served as the Director of Minneapolis Electrical JATC, an apprentice and journeyman electrical training facility. We pride ourselves at the JATC in providing the best electrical training anywhere and Pete has helped us provide that training as an instructor. I can attest to the quality, care, and professionalism that Pete puts into his work as an electrician. He also demonstrates that professionalism in any interaction outside of work that I have witnessed. You will be hard pressed to find any candidate for the Board of Electricity more qualified or more interested in insuring the safety and soundness of electrical installations and so protecting the lives and properties of the citizens of Minnesota.

If you have any questions or concerns, please contact me. Thank you for your consideration.

Respectfully,

Jim Nimlos
