Governor Walz,

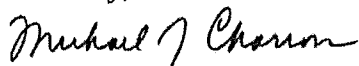

I write to you seeking reappointment to the Minnesota State Arts Board so that I may continue to represent the citizens in your former Minnesota Congressional District, District 1. I hope that my experience in public policy and the arts at the local, state, and national level can continue to be an asset to the citizens of Minnesota.

As you can see from my attached resume, I have served the MSAB as Chair, Vice Chair, and Treasurer. As a member of the Minnesota House of Representatives, I was a leader in helping craft the original legislation for the Legacy Amendment and the Arts and Cultural Heritage Fund. I was a citizen leader of the MSAB as we developed our vision for the agency after the Legacy Amendment was enacted into law and as we rolled out programs to realize that vision. As the current Vice Chair, I am mentoring our new members to become leaders. I am currently chairing the Liaison Committee that brings the state agency and the regional agencies together to coordinate our statewide system. We are working together to make sure that all citizens throughout the state benefit from this legislation.

As we look at the work immediately before us, we are strengthening our system of determining how and how well we are achieving the outcomes of our programs. I would like to provide mentoring and leadership as we enter this next phase of collecting data and adjusting our programs to meet the current and future needs of Minnesota's artists, organizations, and citizens in the most effective ways possible.

I thank you and your staff for your consideration and for your service to our great state.

Sincerely,

Michael J. Charron
Vice Chair, Minnesota State Arts Board
Minnesota First Congressional District
