I'm applying for MSA board position to empower both Deaf and Blind Academies in changes for better education for students. I'm DeafBlind and former student for both academies. I can see my skills in support with my position if appointed by the governor.

My skills includes creativity, outside box thinking, great problem solving, unity, leadership and advocacy. I've served on several committee before and am currently serving on committee and am chairing one of DeafBlind Committee under SRC-B as I feel this will greatly be very beneficial for MSA to see that.

I thank you for your time reading my cover letter.

Respectfully submitted by

Jessica M Eggert
