President of the Senate

Dear Governor and Legislators,

My name is Mary Ives and I would like to continue my service on the MN Higher Education Facilities Authority which I have been working with for many years. I was first appointed by Governor Jesse Ventura and every governor and legislative committee since then.

As an out-state member, I bring forward rural issues relative to Private College challenges. I am a Realtor and work in the Hospitality and Affordable Housing business. This means I spend a lot of time with commercial construction issues. When recommendations come before MHEFA I understand blueprints, architectural costs and designs, and financial costs of development.

I also have served on the Board of Trustees for the College of St. Scholastica in Duluth for more than 12 years. This service allows me to understand the needs of college campus updates, changes in the teaching methods which then impact construction design for classrooms, library/media centers, and science labs, and student housing upgrades.

It would be a privilege to continue my service on this Authority for the benefit of quality education.

If you have questions, I would welcome the opportunity to visit with the appointing authority.

Sincerely

Mary F Ives
