Re: Judge Position on the Workers' Compensation Court of Appeals

Dear Governor,

I have had the honor of serving the people of Minnesota as a judge on the Minnesota Workers' Compensation Court of Appeals since 2015. I submit my application to you seeking appointment for a second term.

Before becoming a judge, I practiced law for 26 years. As an attorney primarily representing Minnesota employers, I litigated every conceivable kind of workers' compensation case. This training gave me understanding of how our court's decisions would impact employers throughout Minnesota. As the daughter of a union mechanic for Northwest Airlines, I learned compassion for those affected by strikes, layoffs, and job loss due to circumstances beyond their control. This taught me to understand how our court's decisions would impact Minnesota workers. My education, some of it spent in Cairo, Egypt, gave me pause and gratitude for our government's ability to work for its citizens, and an understanding of the richness of other cultures. My service as an officer in the U.S. Army Reserves taught me how to lead by serving others. Together, my experiences give me the necessary balance to weigh each issue and the knowledge to get it right.

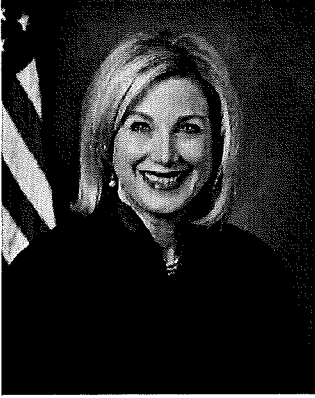

I am energetic, kind, and have a strong work ethic. I will continue to deliver well-reasoned decisions and to contribute to Minnesota's community if selected to serve Minnesota as a judge on the Workers' Compensation Court of Appeals.

Reference letters will be included under separate cover. I look forward to the opportunity to meet with you.

Sincerely,

*Deborah K. Sundquist*
