Minnesota Professional Educator Licensing and Standards Board

Saint Paul, MN 55108

To Whom It May Concern:

I am interested in applying for the Teacher Professional Educator Licensing and Standards Board/Related Service Area position. I hope you will find my education, professional certifications, and work experiences to meet the requirements of this position.

I am prepared to provide and contribute to the decisions made by board members at the state level that will have significant impacts on schools, teachers, and ultimately students across Minnesota. I have a Master of Social Work degree from the University of MN. My K-12 School Social Work Certification from the MN Department of Education is in good standing. Additionally, I continue to maintain my Licensed Graduate Social Work - LGSW from the MN Board of Social Work. I am also currently working towards my Specialist Degree in Educational Leadership through Mankato State University.

Currently, I am working as a School Social Worker for both Como Senior High School and Global Arts Plus Upper Middle School for the past two years. Additionally, I have worked for Farnsworth Aerospace Upper Middle School for four years. I have gained considerable experiences and acquired a great understanding of school practices, as well as how related services play a role in the school. I am knowledgeable about Special Education Due Process including evaluations, interventions, third party billing, and writing IEP goals and objectives. I also work with multidisciplinary teams and have developed good working relationships with students, parents, teachers, administrators, and other professionals in the community.

In my capacity as a School Social Worker, I have served as a member of the Child Study Team, Attendance Team, Behavioral Team, Check and Connect, Social Work and Counselor Collaboration, and GSA. I have also served as the coordinator of Farnsworth's School Linked Mental Health Services to make sure that students with mental health needs have access to mental health services in the school.

I am confident that I can be a great addition to the existing board member team. I am excited and looking forward to discuss with you more about this opportunity.

Sincerely,

May Lia Thor
