To Whom It May Concern,

I am writing to apply for the open position on the Minnesota Board of School Administrators. As a longtime supervisor of school administrators, I feel my experience could fit well with the needs of this team.

As a school administrator, I have served in numerous different leadership roles. Among these, I have been an: Assistant Principal, Principal, Executive Director (Teaching and Learning), Assistant Superintendent, Chief Academic Officer, and Superintendent. Throughout my career I have been especially focused on recruiting and retaining diverse leaders that more closely represent the students we serve. Additionally, I have extensive experience with contract negotiations, performance development, and employee investigations. My experience has included numerous events that have led to the development of improvement plans, 'last chance' agreements, and employee termination.

It would be a great honor to join the Board of School Administrators. Please let me know if you would like me to send you more information about my leadership experience and/or references. Please feel free to contact me at cosorio@isd622.org, or 651-206-9229.

Thank you for your consideration.

Sincerely,

Christine Tucci Osorio

Superintendent
