Re: Reappointment to the Minnesota Tax Court

Dear Governor Walz and Lieutenant Governor Flanagan,

I am applying for reappointment to the Minnesota Tax Court because I wish to continue my service to the people of Minnesota using my unique combination of subject matter expertise and ability to run an efficient and healthy small agency. Thank you for my past opportunity to serve and I look forward to continuing my work for another term.

For the past three years, I have served as a Judge on the Minnesota Tax Court (the last seven months as Chief Judge), with ample opportunity to oversee trials, motion hearings, and written orders. I ensure each order, whether in small claims or regular division, is thorough, addresses the problem raised, and gives the parties' arguments a fair analysis. I continue to educate myself through relevant courses offered by the National Judicial College and the Lincoln Institute's Association for State Tax Court Judges. Shortly into my term, I became a certified mediator. As a neutral, I have organized and overseen several mediations, resulting in settlements that saved the parties—and the court—the resources necessary for trial. In short, I have never wavered in my dedication and commitment to fair outcomes for taxpayers and taxing authorities.

I came into this role with a strong background in public service, and I continue that commitment as Chief Judge. As Chief, I oversee the administrative matters concerning the court, including developing and promoting our FY24-25 budget, career development of the court's office staff, and mentorship of the court's three clerks. I have developed a good working relationship with SmART, ensuring our small agency is utilizing all available resources. The Tax Court is also a strong working partner with the Office of Administrative Hearings, ensuring our agencies utilize each other's strengths. For example, Chief Judge Starr and I are working together to get the funding necessary to assist with our joint IT needs, a common problem with a common solution. I look forward to continuing the betterment of the Tax Court through strong leadership.

Thank you for considering my application. I look forward to discussing the position and my qualifications with you.

Sincerely,

Jane Bowman, Chief Judge
Minnesota Tax Court
