University of Minnesota Physicians and Fairview Health Services

October 18, 2022

To whom it may concern;

I would like this letter to serve to describe my interest in filing the open seat on the Emergency Medical Services Regulatory Board (EMS RB) representing Ambulance Service Directors.

In my current role as Chief of EMS for Fairview Health Services, I have had firsthand experiences in witnessing the EMS RB's dedication to EMS in the state of Minnesota. I would like the opportunity to assist in any way possible in supporting the mission, to protect the public's health and safety through regulation and support of the EMS system.

With over 25 years of experience working in several different EMS systems throughout Illinois, Ohio, Michigan, South Carolina, Texas, Indiana and Minnesota, I have gained industry knowledge and worked to make improvements wherever possible. Being a part of several local, state and national EMS organizations has helped me gain a vast knowledge of EMS as a whole and the challenges that are faced on a day to day basis. I feel that my experience and knowledge can be put to good use serving on the EMS RB as a board member.

My diverse background working in several different EMS systems throughout the country allows me to look at things from a different view than may traditionally be utilized in the Minnesota EMS systems. I have had the opportunity to take the positive actions of these EMS systems and roll them into our current practices and thought processes.

Our current Ambulance service geography covers both Urban and Rural communities in the state of Minnesota. I truly feel the experiences that has been gained and knowledge of EMS throughout the state would be an asset to the EMS RB board.

Overall, I would enjoy the opportunity to share my viewpoints and overall industry experiences with the greater Minnesota EMS communities. I feel that my knowledge and understanding of current industry trends nationwide would also be an asset to this organization.

Thank you for your consideration and please feel free to reach out at any time with any questions you may have for me.

Sincerely,

Thomas A. Edminson
