Personal Statement

20+ years' of working in the conservation field, with the last ten years' serving in a leadership role at the Federal, State, and County levels. During this time, I have led teams to analyze complex issues, planned solutions, strategized implementation of solutions, and assess the benefits of completed tasks.

Experience

April 2016- Present

District Administrator, Renville County Soil and Water Conservation District, Olivia, MN

- Manage, coordinate, and facilitate all components of operations for the Soil & Water Conservation District.
- Develop policies and programs to work towards local and state water quality goals

Oct 2012- April 2016

District Conservationist, Natural Resources Conservation Service
Multiple locations in Minnesota and South Dakota

- Daily oversight, program implementation, and management of the USDA Food Security Act at the county level.
- Worked on private and public agricultural land to improve water quality and reduce soil erosion

April 2002-Oct 2012

Soil Conservationist, Natural Resources Conservation Service
Multiple locals in Minnesota and South Dakota

- I delivered science-based soil information to help farmers and ranchers effectively manage and conserve their lands, soil, and water resources
- work with local stakeholders to install erosion-reducing practices on their land

Key Skills

Prioritizing
Leadership
Goal Setting
