To Whom It May Concern:

Please consider my application to be a Member from the Second Congressional District to the Minnesota State Arts Board.

I am currently serving my sixth term as Chairman of the Minnesota Democratic-Farmer-Labor (DFL) Party. Prior to my election as Chairman, I spent two decades working for progressive candidates and causes serving in key leadership roles around the country in political parties, candidate campaigns, issue campaigns, and on the independent expenditure side.

In 2008, I led the campaign that successfully passed the Clean Water, Land and Legacy Amendment to the Minnesota Constitution which dedicated funding to the arts, environment, conservation, and parks and trails in Minnesota. To this day, it is the largest conservation finance measure in the nation and one of the largest public finance efforts to support the arts to ever become law. Through this work and a lifetime of involvement in the arts, I have developed deep relationships with arts organizations throughout Minnesota.

Decisions made by the Minnesota State Arts Board about how best to invest arts and cultural heritage funds should be grounded in the following guiding principles: accountability and stewardship; statewide approach; transparency; sustainability; and demographic and geographic fairness. Given my breadth of experience and deep involvement in Minnesota legacy initiatives, I know I will make valuable contributions to the State Arts Board as a Member adhering to these principles.

Thank you for your consideration.

Sincerely,

Ken Martin
