Dear Governor Tim Walz,

I am greatly enthused to submit this letter and resume as my application for a member in the Metropolitan Council. As an individual of the Minneapolis community, I feel the need to give back by becoming a member of Metropolitan Council from district 8. With my current interests and previous experience, I believe you will find me to be an ideal candidate in representing the district I call home.

My professional experience in leadership and management positions has given me the opportunity to refine my skills that would be essential to this role. I have experience working closely with the prime minister of Somalia as the senior advisor. My duties as senior advisor included supervision of teams dedicated to creating anti-corruption legislation and systems within the Somalia government.

Currently, I am very dedicated to serving my community in my role as community organizer at a family life center in Minneapolis. It is a very rewarding role where I have a chance to connect deeply with my community. I have grasped a better understanding as to what challenges members in my community are facing. I am certain that with this knowledge, I hold the ability to provide valuable conversational points to assist in change for the betterment of our community.

I trust that my acquired knowledge and experience as well as my dedication to my community, I am prepared to take on the great responsibility as a member of the Metropolitan Council. I look forward to meeting with you and learning of the goals and objectives of the Metropolitan Council. Until then, thank you for your consideration.

Sincerely,

Mr. Yassin Osman

Governor Walz and Metropolitan Council Nominating Committee,

It is my distinguished honor to write this letter of recommendation of Mr. Yassin Osman for the Metropolitan Council Member, District 8. He's a former Senior Advisor to the Prime Minister of Somalia where he worked diligently to implement policy. His past service will help him in this role.

His background on environmental justice will service this council well when making decisions on transit centers, stations, routes, parks, and more. As the Council Member representing part of this district, I know the importance of having collaboration within government.

He's also a small business owner and knows the role of making budgets and managing them well. Being a steward of resources is important and I know he will use our taxpayer dollars to the best of his ability. His service to our community will bring deeply needed change.

We know that every impact leaves lasting change. He is a father of four children and is a husband. A family centered voice is always needed because policy and decisions impact families.

I hope you read this thorough recommendation of Mr. Yassin Osman, and I hope to work with him in the future.

Sincerely,

Jason Chavez

RE: Yassin Osman, Candidate for Metropolitan Council Member, District 8

Governor Walz,

I write today to enthusiastically recommend Mr. Yassin Osman for appointment to the Metropolitan Council to represent District 8. I have gotten to know Mr. Osman as a local small business owner, while contributing to the improvement of the Twin Cities as a community organizer.

Prior to immigrating to the United States, Mr. Osman worked as a senior advisor to the Prime Minister of Somalia, where he initiated several policies, particularly in the area of E-government. By setting in motion the electronic conversion of government systems, Mr. Osman played a key role in minimizing the impact of attempts to access and manipulate those public processes for corrupt purposes.

Here and in Somalia, Mr. Yassin has distinguished himself as a leader, committed to bringing people together to find solutions, achieve their goals and to change the world for the better. Mr. Osman and his wife have four children and live in Minneapolis.

Thank you in advance for your consideration. Please do not hesitate to contact me if I can be of any further assistance at 651-308-4984.
