The Honorable Governor of Minnesota
130 State Capital
75 Reverend Dr. Martin Luther King
Jr. Blvd St. Paul, MN 55155

Dear Governor Walz:

Please accept this application, resume and cover letter for the position of High-Pressure Piping Master Pipefitter - Metro to the Board of High-Pressure Piping Systems. I am currently employed with Horwitz Inc. as a pipefitter general foreman/ site mechanical superintendent. My current position involves providing supervision and coordination for all the mechanical trades and subcontractors on a construction site. I am a certified welder and have worked as an apprentice, journeyman, and foreman on a variety of high-pressure steam installations over the past 20 years as a union pipefitter. I think my experience as both an installer and a supervisor of high-pressure piping installations gives me a good foundation and perspective for making decisions in regards to code changes and additions. My experience, technical knowledge, and work ethic will hopefully make me an ideal candidate. Thank you in advance for your time and consideration on this appointment.

Regards,

Steve Pliesels
