Dear Governor Walz,

I am writing to request that you re-appoint me to the State Arts Board for another term. I was appointed to the Board in August 2015 by Governor Dayton. I have greatly enjoyed my time as a member of the Board and feel that I have been a good member. In addition to the regular duties of a board member, I was the first chair of the Outcomes Committee of the Board. This committee is charged with developing the mechanism for tracking the progress we are making against the goals established at the time of the passage of the Clean Water, Land and Legacy Amendment.

I would like very much to continue this work and greatly appreciate your consideration of my request.

Sincerely,
Dobson West
