(1) a minimum of 30 days of incarceration, at least 48 hours of which must be served consecutively in a local correctional facility; or

The motion must be accompanied by a statement on the record of the reasons for it. When presented with the prosecutor's motion and if it finds that substantial mitigating factors exist, the court shall sentence the defendant without regard to the mandatory minimum sentence established by paragraph (a).

(c) The court may, on its own motion, sentence a defendant described in paragraph (a) without regard to the mandatory minimum sentence established by that paragraph if it finds that substantial mitigating factors exist and if its sentencing departure is accompanied by a statement on the record of the reasons for it. The court also may sentence the defendant without regard to the mandatory minimum sentence established by paragraph (a) if the defendant is sentenced to probation and ordered to participate in a program established under section 169A.74 (pilot programs of intensive probation for repeat DWI offenders).

(d) When any portion of the sentence required by paragraph (a) is not executed, the court should impose a sentence that is proportional to the extent of the offender's prior criminal and moving traffic violation record. Any sentence required under paragraph (a) must include a mandatory sentence that is not subject to suspension or a stay of imposition or execution, and that includes incarceration for not less than 48 consecutive hours or at least 80 hours of community work service.

Subd. 2. [THIRD OFFENSE.] (a) The court shall sentence a person who is convicted of a violation of section 169A.20 (driving while impaired) within ten years of the first of two qualified prior impaired driving incidents to either:

(b) The court may order that the person serve not more than 60 days of the minimum penalty under paragraph (a), clause (1), on home detention or in an intensive probation program described in section 169A.74.

(c) Notwithstanding section 609.135, the penalties in this subdivision must be imposed and executed.

Notwithstanding section 609.135, the penalties in this subdivision must be imposed and executed.

Subd. 4. [FIFTH OFFENSE OR MORE.] (a) Unless the court commits the person to the custody of the commissioner of corrections as provided in section 169A.276 (mandatory penalties; felony violations), the court shall sentence a person who is convicted of a violation of section 169A.20 (driving while impaired) within ten years of the first of four or more qualified prior impaired driving incidents to either:

(1) a minimum of one year of incarceration, at least 60 days of which must be served consecutively in a local correctional facility; or

(2) a program of intensive supervision of the type described in section 169A.74 (pilot programs of intensive probation for repeat DWI offenders) that requires the person to consecutively serve at least six days in a local correctional facility.

(b) The court may order that the person serve the remainder of the minimum penalty under paragraph (a), clause (1), on intensive probation using an electronic monitoring system or, if such a system is unavailable, on home detention. Notwithstanding section 609.135, the penalties in this subdivision must be imposed and executed.

Subd. 5. [LEVEL OF CARE RECOMMENDED IN CHEMICAL USE ASSESSMENT.] Unless the court commits the person to the custody of the commissioner of corrections as provided in section 169A.276 (mandatory penalties; felony violations), in addition to other penalties required under this section, the court shall order a person to submit to the level of care recommended in the chemical use assessment conducted under section 169A.70 (alcohol safety program; chemical use assessments) if the person is convicted of violating section 169A.20 (driving while impaired) while having an alcohol concentration of 0.20 or more as measured at the time, or within two hours of the time, of the offense or if the violation occurs within ten years of one or more qualified prior impaired driving incidents.

In addition, the court may order the person to pay a fine of not more than \$14,000.

(b) The court may stay execution of this mandatory sentence as provided in subdivision 2 (stay of mandatory sentence), but may not stay imposition of the sentence or impose a sentence that has a duration of less than three years.

(c) Notwithstanding the statutory maximum sentence provided in section 169A.24 (first-degree driving while impaired), when the court commits a person to the custody of the commissioner of corrections under this subdivision, it shall provide that after the person has been released from prison the commissioner shall place the person on conditional release for five years. The commissioner shall impose any conditions of release that the commissioner deems appropriate including, but not limited to, successful completion of an intensive probation program as described in section 169A.74 (pilot programs of intensive probation for repeat DWI offenders). If the person fails to comply with any condition of release, the commissioner may revoke the person's conditional release and order the person to serve all or part of the remaining portion of the conditional release term in prison. The commissioner may not dismiss the person from supervision before the conditional release term expires. The failure of a court to direct the commissioner of corrections to place the person on conditional release, as required in this paragraph, does not affect the applicability of the conditional release provisions to the person.

Subd. 2. [STAY OF MANDATORY SENTENCE.] The provisions of sections 169A.275 (mandatory penalties; nonfelony violations), subdivision 3 or 4, and subdivision 5, and 169A.283 (stay of execution of sentence), apply if the court stays execution of the sentence under subdivision 1 (mandatory prison sentence). If the court does not order a level of care in accordance with the assessment report recommendation as a condition of a stay of execution, it shall state on the record its reasons for not following the assessment report recommendation.

Sec. 10. Minnesota Statutes 2000, section 169A.40, subdivision 3, is amended to read:
