Page 155, after line 6, insert:

"Sec. 99. **[115B.55] TCE EMISSION RESPONSE ACCOUNT.**

Subdivision 1. **Definitions.** (a) For purposes of this section and section 115B.56, the terms in this subdivision have the meanings given.

(b) "Settlement" means the stipulation agreement entered into on March 1, 2019, to resolve alleged unlawful TCE emissions by Water Gremlin Company.

(c) "TCE" means trichloroethylene.

(d) "TCE area of concern" includes the area in and near White Bear Township affected by unlawful emissions of TCE, as determined by the commissioner of the Pollution Control Agency.

Subd. 2. **Establishment.** The TCE emission response account is established as an account in the environmental fund. The account consists of the net proceeds of the civil penalty paid to the Pollution Control Agency as part of the settlement and earnings on the investment of money in the account. Money in the account may be invested through the State Board of Investment.

Subd. 3. **Expenditures.** Subject to appropriation by the legislature, money in the account may be spent to assess and address the effects of unlawful emissions of TCE in the TCE area of concern.

Sec. 100. **[115B.56] TCE EMISSION STAKEHOLDERS.**

The commissioner must work with the following stakeholders to identify and recommend to the legislature projects to receive funding from the TCE emission response account: a representative of the Minnesota Department of Health; a representative of the Minnesota Pollution Control Agency; an elected official from the city of Gem Lake; an elected official from the city of White Bear Lake; an elected official from White Bear Township; three individuals appointed by the Neighborhood Concerned Citizens Group serving the White Bear Township, White Bear Lake, and Gem Lake areas; an individual who is appointed by the Neighborhood Concerned Citizens Group who lives within half of one mile of the Water Gremlin facility that was the source of the TCE emissions

described in the settlement; and a representative of Ramsey County, who shall be a nonvoting member. Stakeholder recommendations may include recommendations regarding:

(1) the broad purposes or specific projects for which money in the TCE emission response account should be appropriated;

(2) the need for additional testing, investigations, or research;

(3) ways to improve communication between state and federal officials and local governments, citizens, and businesses when hazardous chemicals are actually or potentially released into a community;

(4) policy or law changes that would facilitate a better response to future releases of hazardous chemicals; and

(5) any other matter the stakeholders deem relevant."

"Sec. 105. [116.385] TRICHLOROETHYLENE; BAN.

Subdivision 1. **Definitions.** For the purposes of this section, "trichloroethylene" means a chemical with the Chemical Abstract Services Registry Number of 79-01-6.

Subd. 2. **Use ban.** (a) Beginning January 1, 2021, an owner or operator of a facility required to have an air emissions permit issued by the Pollution Control Agency may not use trichloroethylene at its permitted facility, including in any manufacturing, processing, or cleaning processes. Cessation of use must be made enforceable in the air emissions permit for the facility or in an enforceable agreement by January 1, 2021.

(b) If additional time is needed to assess replacement chemicals or address impacts to facility operations, then by January 1, 2021, the commissioner may, at the commissioner's discretion, include a schedule of compliance in the facility's permit or enforceable agreement that requires compliance with this section before January 1, 2023. Owners or operators of facilities requesting additional time under this subdivision must demonstrate compliance with the health-based value and health risk limits for trichloroethylene, as established by the Department of Health. The commissioner must assess nearby regulated sources for trichloroethylene to determine whether additional restrictions should be included in the schedule of compliance or permit.

(c) The commissioner may grant a variance under this section pursuant to section 116.07, subdivision 5.

Subd. 3. **Replacement chemicals.** An owner or operator that must comply with this section must replace trichloroethylene with a chemical demonstrated to be less toxic to human health and approved by the commissioner of the Pollution Control Agency. If there is more than one less-toxic replacement chemical, then the commissioner must approve the option that is the least toxic to human health that is an effective replacement.

Subd. 4. **Exceptions.** The prohibition in subdivision 2 does not apply to any of the following:

(1) processes that result in only trace amounts of trichloroethylene remaining after most of it has been transformed into another substance or consumed;

(2) the use of trichloroethylene in closed systems so that no trichloroethylene is emitted from the facility;

(3) holding trichloroethylene, or products containing trichloroethylene, for distribution to a third party; or

"Sec. 7. Minnesota Statutes 2018, section 151.252, subdivision 1, as amended by Laws 2019, chapter 63, article 1, section 6, is amended to read:

Subdivision 1. **Requirements.** (a) No person shall act as a drug manufacturer without first obtaining a license from the board and paying any applicable fee specified in section 151.065.

(b) In addition to the license required under paragraph (a), each manufacturer required to pay the registration fee under section 151.066 must pay the fee by June 1 of each year, beginning June 1, 2020. In the event of a change of ownership of the manufacturer, the new owner must pay the registration fee specified under section 151.066, subdivision 3, that the original owner would have been assessed had the original owner retained ownership. The registration fee collected under this paragraph shall be deposited in the opiate epidemic response account established under section 256.043.

(c) In addition to the license required under paragraph (a), a manufacturer of insulin must pay the applicable insulin registration fee in section 151.254, by June 1 of each year, beginning June 1, 2020. In the event of a change of ownership of the manufacturer, the new owner must pay the registration fee in section 151.254 that the original owner would have been assessed had it retained ownership. The board may assess a late fee of ten percent per month for any portion of a month that the registration fee is paid after the due date. The registration fee collected under this paragraph, including any late fees, shall be deposited in the insulin assistance account established under section 256.938.

~~(e)~~ (d) Application for a drug manufacturer license under this section shall be made in a manner specified by the board.

~~(d)~~ (e) No license shall be issued or renewed for a drug manufacturer unless the applicant agrees to operate in a manner prescribed by federal and state law and according to Minnesota Rules.

~~(e)~~ (f) No license shall be issued or renewed for a drug manufacturer that is required to be registered pursuant to United States Code, title 21, section 360, unless the applicant supplies the board with proof of registration. The board may establish by rule the standards for licensure of drug manufacturers that are not required to be registered under United States Code, title 21, section 360.

~~(f)~~ (g) No license shall be issued or renewed for a drug manufacturer that is required to be licensed or registered by the state in which it is physically located unless the applicant supplies the board with proof of licensure or registration. The board may establish, by rule, standards for the licensure of a drug manufacturer that is not required to be licensed or registered by the state in which it is physically located.

~~(g)~~ (h) The board shall require a separate license for each facility located within the state at which drug manufacturing occurs and for each facility located outside of the state at which drugs that are shipped into the state are manufactured, except a manufacturer of opiate-containing controlled substances shall not be required to pay the fee under section 151.065, subdivision 1, clause (16), or 151.065, subdivision 3, clause (14), for more than one facility.

~~(h)~~ (i) The board shall not issue an initial or renewed license for a drug manufacturing facility unless the facility passes an inspection conducted by an authorized representative of the board. In the case of a drug manufacturing facility located outside of the state, the board may require the

applicant to pay the cost of the inspection, in addition to the license fee in section 151.065, unless the applicant furnishes the board with a report, issued by the appropriate regulatory agency of the state in which the facility is located or by the United States Food and Drug Administration, of an inspection that has occurred within the 24 months immediately preceding receipt of the license application by the board. The board may deny licensure unless the applicant submits documentation satisfactory to the board that any deficiencies noted in an inspection report have been corrected.

Sec. 8. [151.254] INSULIN REGISTRATION FEE.

Subdivision 1. Definition. (a) For purposes of this section, the following terms have the meanings given them.

(b) "Manufacturer" means a manufacturer licensed under section 151.252 engaged in the manufacturing of insulin.

(c) "Wholesaler" means a wholesale drug distributor licensed under section 151.47 and engaged in the wholesale drug distribution of insulin.

Subd. 2. Reporting requirements. (a) Effective March 1 of each year, beginning March 1, 2020, each manufacturer and each wholesaler must report to the Board of Pharmacy every sale, delivery, or other distribution within or into the state of insulin that was made to any practitioner, pharmacy, hospital, or other person who is permitted by section 151.37 to possess insulin for administration or was dispensed to human patients during the previous calendar year. Reporting must be in a manner specified by the board. If the manufacturer or wholesaler fails to provide information required under this paragraph on a timely basis, the board may assess an administrative penalty of \$100 per day. This penalty shall not be considered a form of disciplinary action. Any penalty assessed under this section shall be deposited in the insulin assistance account established under section 256.938.

(b) By March 1 of each year, beginning March 1, 2020, each owner of a pharmacy with at least one location within this state must report to the board any intracompany delivery or distribution of insulin into this state, to the extent that those deliveries and distributions are not reported to the board by a licensed wholesaler owned by, under contract to, or otherwise operating on behalf of the owner of the pharmacy. Reporting must be in the manner and format specified by the board for deliveries and distributions that occurred during the previous calendar year. The report must include the name of the manufacturer or wholesaler from which the owner of the pharmacy ultimately purchased the insulin and the amount and date the purchase occurred.

Subd. 3. Determination of manufacturer's registration fee. (a) The board shall annually assess manufacturers a registration fee that in aggregate equals the total cost of the insulin assistance program established under section 256.937 for the previous fiscal year, not to exceed \$5,000,000, including any administration costs incurred by the commissioner of human services or the board in collecting the fee. The board shall determine each manufacturer's annual insulin registration fee that is prorated and based on the manufacturer's percentage of the total number of units reported to the board under subdivision 2. For the first assessment, the commissioner shall estimate the cost of the program for the first fiscal year and notify the board of the estimated cost by March 1, 2020. The board shall determine each manufacturer's initial registration fee based on the estimated cost.

(b) By April 1 of each year, beginning April 1, 2020, the board shall notify each manufacturer of the annual amount of the manufacturer's insulin registration fee to be paid in accordance with section 151.252, subdivision 1, paragraph (c).

(c) A manufacturer may dispute the fee assessed under this section as determined by the board no later than 30 days after the date of notification. However, the manufacturer must still remit the registration fee required by section 151.252, subdivision 1, paragraph (c). The dispute must be filed with the board in the manner and using the forms specified by the board. A manufacturer must submit, with the required forms, data satisfactory to the board that demonstrates that the fee was incorrect or otherwise unwarranted. The board must make a decision concerning a dispute no later than 60 days after receiving the required dispute forms. If the board determines that the manufacturer has satisfactorily demonstrated that the original fee was incorrect, the board must: (1) adjust the manufacturer's fee; (2) adjust the manufacturer's fee due the next year by the amount in excess of the correct fee that should have been paid; or (3) refund the amount paid in error.

Subd. 4. **Exclusion.** This section does not include biosimilars produced or distributed pursuant to a biologics license application, approved under United States Code, title 42, section 262(k)(3), nor insulin products, for which the wholesale acquisition cost is less than \$80 per package. For the purposes of this subdivision, "biosimilars" does not include a reference product licensed under United States Code, title 42, section 262(a) or follow-on insulin products initially licensed under United States Code, title 21, section 355(b)(2), prior to March 23, 2020."
