The Except as provided in section 245C.05, subdivision 5a, a child care background study must include submission of fingerprints for a national criminal history record check and a review of the information under section 245C.08. A background study for a child care program must be repeated within five years from the most recent study conducted under this paragraph.

(c) At reapplication for a family child care license:

(1) for a background study affiliated with a licensed family child care center or legal nonlicensed child care provider, the individual shall provide information required under section 245C.05, subdivision 1, paragraphs (a), (b), and (d), to the county agency, and be fingerprinted and photographed under section 245C.05, subdivision 5;

(2) the county agency shall verify the information received under clause (1) and forward the information to the commissioner to complete the background study; and

(3) the background study conducted by the commissioner under this paragraph must include a review of the information required under section 245C.08.

(d) The commissioner is not required to conduct a study of an individual at the time of reapplication for a license if the individual's background study was completed by the commissioner of human services and the following conditions are met:

(1) a study of the individual was conducted either at the time of initial licensure or when the individual became affiliated with the license holder;

(2) the individual has been continuously affiliated with the license holder since the last study was conducted; and

(3) the last study of the individual was conducted on or after October 1, 1995.

(e) The commissioner of human services shall conduct a background study of an individual specified under section 245C.03, subdivision 1, paragraph (a), clauses (2) to (6), who is newly affiliated with a child foster care license holder:

(1) the county or private agency shall collect and forward to the commissioner the information required under section 245C.05, subdivisions 1 and 5, when the child foster care applicant or license holder resides in the home where child foster care services are provided;

(2) the child foster care license holder or applicant shall collect and forward to the commissioner the information required under section 245C.05, subdivisions 1 and 5, when the applicant or license holder does not reside in the home where child foster care services are provided; and

(3) the background study conducted by the commissioner of human services under this paragraph must include a review of the information required under section 245C.08, subdivisions 1, 3, and 4.

(1) except as provided in section 245C.05, subdivision 5a, the county shall collect and forward to the commissioner the information required under section 245C.05, subdivision 1, paragraphs (a) and (b), and subdivision 5, paragraphs (a), (b), and (d), for background studies conducted by the commissioner for all family adult day services, for adult foster care when the adult foster care license holder resides in the adult foster care residence, and for family child care and legal nonlicensed child care authorized under chapter 119B;

(2) the license holder shall collect and forward to the commissioner the information required under section 245C.05, subdivisions 1, paragraphs (a) and (b); and 5, paragraphs (a) and (b), for background studies conducted by the commissioner for adult foster care when the license holder does not reside in the adult foster care residence; and

(3) the background study conducted by the commissioner under this paragraph must include a review of the information required under section 245C.08, subdivision 1, paragraph (a), and subdivisions 3 and 4.

(g) Applicants for licensure, license holders, and other entities as provided in this chapter must submit completed background study requests to the commissioner using the electronic system known as NETStudy before individuals specified in section 245C.03, subdivision 1, begin positions allowing direct contact in any licensed program.

(h) For an individual who is not on the entity's active roster, the entity must initiate a new background study through NETStudy when:

(1) an individual returns to a position requiring a background study following an absence of 120 or more consecutive days; or

(2) a program that discontinued providing licensed direct contact services for 120 or more consecutive days begins to provide direct contact licensed services again.

The license holder shall maintain a copy of the notification provided to the commissioner under this paragraph in the program's files. If the individual's disqualification was previously set aside for the license holder's program and the new background study results in no new information that indicates the individual may pose a risk of harm to persons receiving services from the license holder, the previous set-aside shall remain in effect.

(i) For purposes of this section, a physician licensed under chapter 147 is considered to be continuously affiliated upon the license holder's receipt from the commissioner of health or human services of the physician's background study results.

(j) For purposes of family child care, a substitute caregiver must receive repeat background studies at the time of each license renewal.

(k) A repeat background study at the time of license renewal is not required if the family child care substitute caregiver's background study was completed by the commissioner on or after October 1, 2017, and the substitute caregiver is on the license holder's active roster in NETStudy 2.0.

(l) Before and after school programs authorized under chapter 119B, are exempt from the background study requirements under section 123B.03, for an employee for whom a background study under this chapter has been completed."
