Big Lake/Becker Regional Ice Arena Families,

On February 4th the 2010 legislative session will begin at the Capitol in St. Paul. As the date quickly approaches, I am more confident than ever we can make the Big Lake/Becker Regional Ice Arena a reality. I want to thank all of you for your hard work and continued support. The commitment and enthusiasm shown by the families and supporters of the ice arena has been impossible for those in St. Paul to ignore.

I wanted to tell you about two both important and positive developments. On October 26th the Minnesota Capitol Investment Committee visited Big Lake to hear about the Big Lake/Becker Regional Ice Arena. From conversations I have had with members of the committee and their staff it was an overwhelming success. Everything from the well constructed and delivered presentation to the sharp looking hockey players in button down shirts and ties.

More importantly, I am happy to report the Big Lake/Becker Ice Arena is current right on track as we move through the legislative committee process. In fact, this past week we received terrific news from the Economic Development and Housing Budget Division. Just like last year, the committee will be recommending the funding for the Big Lake/Becker Ice Arena be included in the 2010 bonding bill. This is a very important step, and it also means there will be no need for another committee hearing this session.

The next step will be the Senate Capital Investment Committee introducing the 2010 bonding bill. While I feel confident about the Big Lake/Becker Regional Ice Arena, I am going to need your help to make sure we make the cut. Below you will find a list of the Capital Investment Committee members and their contact information. I am asking you to take a moment and be an advocate for your family and for your community. As I have said from the beginning of this process, I cannot make the ice arena happen on my own. Please send an email, write a letter, or make a phone call to any and all of the committee members.

Please feel free to contact me 651-296-8075 at any time and I can try to answer any concerns you may have.

With Gratitude,

Lisa A. Fobbe
